Job Specific Questions | Edit

Questionnaire

When did you obtain / will obtain your 1st Degree?	2025 - 2027
Please give some examples of your major achievements in your present / previous employment.	At Amber Group (AI Research Intern, Apr 2026 – present), I built a multi-agent long-task control layer across Web and Lark that runs swarm inference over 40 agents and serves 200+ colleagues, built AI-transformation tools on Centaur, cc-connect, WeKnora, OpenClaw, Dify and n8n, and established enterprise-agent evaluation covering task decomposition and failure analysis. At NOVOAI (LLM Full-Stack Intern), I built LLM agent systems for insurance clients with a Clerk-Auditor architecture that separates execution from independent verification, producing evidence-grounded, auditable outputs. In research, I am first author of papers at AAAI 2026 and ECAI 2024, with further papers at ICCV 2025 and IEEE T-IFS.
Do you possess a valid HK Driving License? If yes, please specify the Class. (mandatory)*	No HK driving licence; hold a valid Mainland China driving licence (automatic transmission), valid until 2028.
